New Colors

H.C. Muddox is constantly developing new colors and textures to meet design and market demands. H.C. Muddox is proud to introduce Mojave Sands, Old Tavern and Mission Hills the newest additions to our brick series.

MISSION HILLS

Mission Hills uses a clay body with set mark flashing featuring a variety of light to deep terra cotta colors.

MOJAVE SANDS

Mojave Sands has a hand made look with its green tumbled rolled finish and rustic sanded texture.

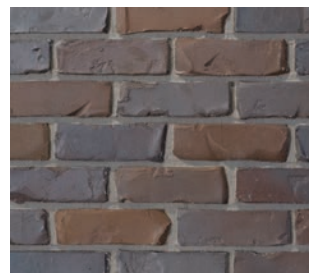

OLD TAVERN

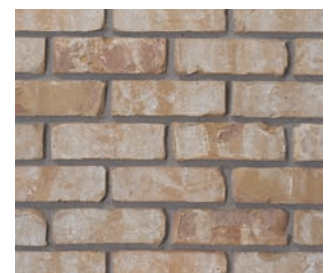

Old Tavern is a blend of our three most popular colors for that charming historic look.

Old World Series

Add warmth, style and lasting value to your home with the stately Old World Series from H.C. Muddox Brick... in colors reminiscent of the elegant beauty and tradition of the early European Communities. Each brick is green tumbled for a warm, used look that when installed has the appearance of a blend of brick and cobblestone.
